Address: El Khaleej District, 11564, Riyadh, Saudi Arabia (Home)

WORK EXPERIENCE

21/01/2025 – CURRENT Riyadh, Saudi Arabia

AI ENGINEER @INNO_TECH-SA

- Implemented AI-driven chatbots for our website using simple RAG using GCP. These chatbot significantly reduced overhead support by automating customer interactions.
- Built a fully automated IELTS Listening Exam Simulator using Gemini for text generation and answer evaluation, paired with open-source TTS for realistic audio generation.

12/07/2024 – 13/08/2024 Cairo, Egypt

DATA ANALYST INTERN @EDEN TECH.

- Gained experience using Apache NiFi as an ETL tool to extract, transform, and load data efficiently. Created insightful visualizations using Power BI to aid in data-driven decision-making and streamline analytical workflows.

EDUCATION AND TRAINING

01/10/2020 – 19/06/2024 Cairo, Egypt

BACHELOR OF SCIENTIFIC COMPUTING Faculty of Computer Science, Ain Shams University

Website <https://www.asu.edu.eg/> | **Level in EQF** EQF level 6

PROJECTS

GAMEGLIMPSE APP

- Worked on a Computer vision model to make the Action-Spotting task, Automated the task of making a video of important highlights of the Football match.
- Deployed the AI model in the flutter app.
